

Habitat for Humanity®

Greater Vancouver

*Our sincerest gratitude and appreciation to the team at **AMES TILE & STONE** for your participation in helping us to build safe, affordable homes at our Burnaby Build Project, on March 20, 2008.*

Each and every one of your team members has made a personal and tangible contribution towards making the dream of home ownership a reality for hard working, low-income families in the Lower Mainland...

Thank you for a job very well done!

27 Unit Townhouse Project @ 8745 Government Street, Burnaby, BC
