This collection reproduces traditional handmade tiles with intentional slight dimensional variations and minor surface imperfections, contributing to their unique character and aesthetic value; therefore, it is advised to adjust each tile during installation rather than using spacers to accommodate these natural differences.

Caution: Dark grout on light coloured tiles can scratch or stain the surface, please test a separate area before grouting your space.

All sizes are approximate and items are sold by piece.

Recommended Applications

Recommended applications do not include consideration of any technical installation requirements or safety standards for slopes and pool decks. All tile products and setting materials should be selected and installed in compliance with manufacturers specifications and applicable use standards.

CARE NOTES

Maintenance and Cleaning

Once the materials have been fitted, it is advisable to remove any remaining adhesive and grouting material by using a commercial descaling product must not remain in contact with the surface to be cleaned for more than 5-minutes.

As a general guideline, powder detergents should not be used, not wire wool or abrasive materials, generally a sponge will be sufficient with warm water and liquid neutral soap. Then rinse with plenty of clean water.

Chromatic Variation

Pottery Collection has been designed with a V2 chromatic variation between pieces. Prior to any installation, range of tiles should be checked by the client. No claims will be accepted after installation.
